16 oz. pint jars.

Made by the Kuebel Family with Cottage Kitchen labels.

Pickles are sweet, slightly spicy, crunchy and SO DELICIOUS!

Great on sandwiches, in salads, as a condiment to meats or straight from the jar, loved by people of all ages.

Jalapenos are sweet and spicy but not too hot. The sugary syrup allows you to taste and enjoy the pepper without burning your mouth. Excellent on cream cheese as dip with crackers, spice up any dish, or even add to your smoothie for tasty kick.

JARS are \$8 each or Mix/Match 2 Jars for \$15.
